ethics have largely been blended into common standards of professional conduct. Often, professional conduct that constitutes a breach of ethics also constitutes a violation of law, and visa versa. Figure 2-1 illustrates the nature of the modern blending of legal and professional ethical responsibilities.

The word ethics generally relates to a morality, philosophy, set of principles, or code of conduct considered by a society to be moral behavior. Ethics also influences much of the way laws are both crafted and enforced, but its fingerprints aren't always obvious. For instance, murder usually is viewed as
