This revised edition of Law and People in Colonial America will incorporate recent scholarship and encompass American Indians, the French, and Spaniards as people who—on the fringes of English settlement—raised interesting questions. Among them: how in legal terms did the English deal with "marginal" societies; how does this posture help us to understand English law and the changes the New World forced upon it; and how did these people on the outside themselves view English law?

Law And People In Colonial America

Colonial America bastardy laws were laws, statutes, or other legal precedents set forth by the English colonies in North America. This page focuses on the rules pertaining to bastardy that became law in the New England colonies of Massachusetts, Connecticut, and Pennsylvania from the early seventeenth century to the late eighteenth century. The colonies established many of their laws based on a combination of old English common law and their religious faith. Upon their arrival in North America,

Laws & punishments - Colonial Times

The Colonial assemblies passed various legislations, including ones on governing their slaves, creating colonial currencies, and requesting representatives to be sent to Parliament, would pay for any public property which had been destroyed. In complying with this demand, the Assembly of Massachusetts thought that it would be "wholesome and necessary for the public good" to grant free pardon to all who had been engaged in the protests, and passed an act accordingly—but George III refused ...
