Learning The Tarot A Book

My favorites for their spiritual feeling are the Tarot books by Eileen Connolly, but my favorite hands-down book for nuts-and-bolts learning is this book by Joan Bunning. The structure of the book is just perfect. The author has kind of a layered approach to her method. There are 19 very manageable lessons, each taking only a few minutes to read.

Advanced ...

The book is very helpful in learning the tarot. I have tried other books but this one presents the information in a way that is easier to digest. She does not just throw her meanings at you to learn, she kind of eases you in. I like how the author uses one layout to teach with instead of trying to give us multiple ones to work with.
