Nice guide, but I'd suggest adding a recommended range for solving lotus (as from my experience most people can't survive for the full 30min). In addition, that 3m clean range may be a little low for some classes (xenon and Kanna come to mind) while other classes may be able to solo at less range (my cannon master did so at 3m buffed, and ofc IED matters).

Genshin Impact is a popular RPG, set in an open-world fantasy environment. It is a free-to-play game and is available for platforms like the PS4, iOS, Android, and PC. Shrine of Depths is found in the world of Genshin Impact. These are very old shrines that have been sealed off from the world when the people that built them were driven to extinction.
