Cultural and Social History: Vol 17, No 2
Cultural history combines the approaches of anthropology and history to look at popular cultural traditions and cultural interpretations of historical experience. It examines the records and narrative descriptions of past matter, encompassing the continuum of events (occurring in succession and leading from the past to the present and even into the future) pertaining to a culture.

Social History - Articles - Making History

historiography: Social and cultural history Many historians in the past echoed the calls of Jules Michelet or Thomas Carlyle to rescue ordinary people from the silence and condescension of history, but they generally lacked the means to go beyond anecdote, sentimentalism, and left-wing politics.

Social history | branch of history | Britannica

Social history, often called the new social history, is a field of history that looks at the lived experience of the past. In its "golden age" it was a major growth field in the 1960s and 1970s among scholars, and still is well represented in history departments in Britain, Canada, France, Germany, and the United States.

Social and Cultural Effects of the Depression [ushistory.org]

All sustained human behaviors originate in our species' social, biological, and cultural history. Art, religion (Wilson, 2012), war (Smith, 2009), preference to live in suburbs (Kanazawa and Li, 2016), and embrace of powered automobility (Grush, 2014) are among them as much as all the forms and behaviors we are more accustomed to thinking of as evolutionary traits.

Social History - an overview | ScienceDirect Topics

In 1796, J.G. Eichhorn joined cultural and literary history in a way that showed the connection between literature or language and history in a prophetic statement: "The history of arts and sciences, their origins, progress, and various transformations can never be separated from the history of the social conditions, for culture and literature are twin sisters, children of the same father, who continually provide support for each other.

Cultural History - an overview | ScienceDirect Topics

Cultural history Cultural history is not simply the study of high culture or alternatively of peoples' past rituals. It is best characterised as an approach which considers the domain of representation and the struggle over meaning as the most fruitful areas for the pursuit of historical understanding.

Cultural History - Themes - Making History

India's history and culture is dynamic, spanning back to the beginning of human civilization. It begins with a mysterious culture along the Indus River and in farming communities in the southern lands of India. The history of India is punctuated by constant integration of migrating people with the diverse cultures that surround India.
