The Maid's Version by Daniel Woodrell is a small book but reads like a tome, with such literate and beautiful imagery that I was enthralled. The book centers around the mystery of the explosion at Arbor Dance Hall in 1929. The explosion killed 42 people, many unrecognizable in death with their

bodies broken up or burned beyond recognition.

The Maid's Version is a short book--only about 170 pages--but it is packed with a powerful narrative and so many colorful characters, it's difficult to remember who everyone is. Woodrell's storytelling ability is in fine form, as is his evocative language, and while this book may not be as strong as some of his previous ones, it's still a tremendously interesting and, ultimately, tragic story.
