The Old Man and Pedro were bringing something back. On the last day, two hours after dawn the villagers began to arrive in pairs and groups along the broken highway, their curiosity unrestrained, uncontainable. The haul back became a carnival. By nightfall, remembered the Old Man, a pig had been killed; precious few of them then.

The most sophisticated of these early novels, "Elvira" is the story of a village election, and it is also a satiric examination of the consequences of political change. Mr. Naipaul has never bought that popular romantic vision that has a brave new world rising from the dust of the empire, and the slapstick goings-on in Elvira betray a deep skepticism of progress.
